

CLEAN & CLEAR[®] RP

CLEAN & CLEAR[®] RP CARTRIDGE FILTER

THE MOST EFFICIENT SINGLE CARTRIDGE FILTER EVER

The Clean & Clear[®] RP filter gives you everything you could ask for in a filter. This design is nearly 50% more efficient than most single cartridge filter on the market. At the same time, it delivers top-of-the-line cartridge performance to keep your pool sparkling clear. Plus, cleaning is a breeze—its quick-connect ring makes maintenance a cinch—just open the top, remove the cartridge, hose it off and the Clean & Clear[®] RP filter is ready to go again.

The Clean & Clear[®] RP filter has an innovative side entry port to optimize flow and energy efficiency. And inside, we've maximized the cartridge surface consistency to block and trap particles as small as 20 microns. (An average grain of beach sand is 1,000 microns!) Plus, its durable, fiberglass-reinforced tank helps to ensure exceptionally long life.

- Unmatched hydraulic efficiency—nearly 50% more energy efficient than other single cartridge filters.
- Quick-connect union with diamond seal assures easy installation and servicing.
- Single-piece base and tank are constructed of fiberglass-reinforced polypropylene for strength and chemical resistance.
- High Flow[™] Manual Air Relief Valve and continuous internal air relief work together to maintain optimum filtration efficiency.

AN ECO SELECT[®] BRAND PRODUCT

The Clean & Clear[®] RP cartridge filter has earned the Eco Select brand distinction from Pentair for its efficiency and environmentally friendly performance.

CLEAN & CLEAR[®] RP CARTRIDGE FILTER

Low-force clamp ring opens and closes easily for quick access to cartridge

2" x 2½" plumbing for maximum flow; innovative side entry maximizes energy efficiency

Single-piece fiberglass-reinforced polypropylene tank for strength and corrosion resistance

Easy access 1½" drain

Model Number	Filter Area Sq. Ft.	Vertical Clearance*	Filter Diameter	Flow Rate	Turnover Capacity (Gallons)		
				GPM	8 hrs.	10 hrs.	12 hrs.
CCRP 100	100	61"	15.5"	38	48,000	60,000	72,000
CCRP 150	150	76"	15.5"	56	72,000	90,000	108,000
CCRP 200	200	76"	15.5"	75	72,000	90,000	108,000

* Required clearance to remove filter elements

EFFICIENT AND CAREFREE...BY DESIGN

The Clean & Clear[®] RP filter's innovative side entry design optimizes flow for greater energy efficiency. It features an easily-cleaned cartridge for the ultimate in carefree pool filtration. The fiberglass-reinforced tank halves are secured with a low-force clamp ring—just loosen the ring and remove the top half for easier cartridge access and rinsing. Filter maintenance doesn't get any easier.

- 1½" drain cap and washout for quick and convenient maintenance and winterization.
- Innovative lock-ring requires only an easy half of a revolution for a leak-proof seal.
- Single-piece base and body designed for maximum durability.
- Cartridge is easier to remove and rinse for near effortless cleaning.
