***Terms of Offer**

- \$50 offer good on SuperMax VS pump models only.
\$100 offer valid on IntelliPro VSF, IntelliPro 2 VST and IntelliPro XF VSF models purchased in store only. Online purchases do not qualify.
- Units must be purchased between April 1, 2017, and September 30, 2017.
You must redeem within 30 days of purchase.
- Offer is valid only for qualifying purchases professionally installed within the 50 United States, U.S. Virgin Islands, Puerto Rico or Canada. This offer is not good on products purchased for resale.
- Claims with incomplete information will not be honored. Sales receipt and rebate form are required. Handwritten receipts, sales history receipts, barcode labels or credit card statements will not be accepted as proof of purchase. Claims that do not comply with the terms of this offer will be rejected.
- The serial number of your new pump must be recorded on this form. You can find the serial number on the label adhered to the pump or on the side of the product carton. Claims received without the correct serial number cannot be processed.
- This offer is not redeemable at the place of purchase. Dealer is not authorized to pay the rebate at time of sale. Pentair shall be the sole and final interpreter of whether any particular attempted submission complies with the rules governing this offer.
- This offer may not be combined with any other offer. Pentair reserves the right to amend, modify or terminate this program without prior notice.

Prepaid card is given to you as a rebate, and no money has been paid by you for the card. No cash access or recurring payments. **Card valid for up to six months; unused funds will be forfeited at midnight EST the last day of the month of the valid thru date.** In Canada, the card is issued by Peoples Trust Company pursuant to a license by Visa Int. In the U.S., card is issued by MetaBank®, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Card terms and conditions apply; see MyPrepaidCenter.com/site/visa-univ-can (CAN) and MyPrepaidCenter.com/site/visa-promo (U.S.) for details.

For questions on the rebate program, please contact us at 866-844-9523 or marketing@pentairwater.com.

INTRODUCING THE NEW INTELLIPRO VSF VARIABLE SPEED AND FLOW PUMP.

The new IntelliPro® VSF pump is the first to give you the ability to precisely set and maintain a desired flow rate, even when pool conditions change. And like all previous IntelliPro pumps from Pentair, the IntelliPro VSF saves up to 90%** in energy costs—as much as \$1,500** a year.

Features include:

- The only dual-technology pump combining speed and flow
- Smartest pump technology available—saves up to 90%** in energy costs
- Quietest pool pump on the planet for a tranquil backyard experience
- Loss of prime detection and diagnostics keep the pump running longer

**Savings based on variable speed pump compared to single-speed pump running 12 hours per day at an average of \$0.16 per kWh in a 20,000 gallon pool. Actual savings may vary based on local utility rates, pool size, pump run time, pump horsepower, pump rpm, plumbing size and length, pump model, service factor and other hydraulic factors.
